## Celebrating 41 Years of Ministry

Autumn 2019 Newsletter

Delivering God's Love Since 1978

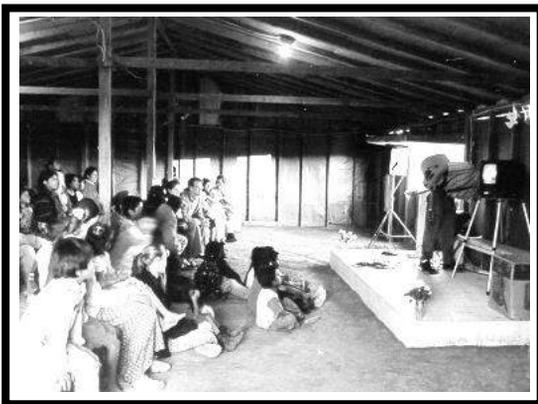

Dear Love Lifters,

**Thank you for your financial assistance and involvement as partners** in many ways to keep our mission's work bringing hope and transformation to impoverished areas of the world. Together we are pouring out the love of God to make a life-changing difference for those we can serve.

**Since January of 2019**

Love-Lift Ministries volunteers were able to send out thousands of bags, nearly 100 layettes, many toys, blankets, throws, afghans, and quilts to several places in the world including Guatemala, Mexico, the Dominican Republic, American Indian Reservations and the homeless in LA. Thank you again for all your prayers and financial support in sharing God's love in a tangible way!!

### ***Vacation Bible School for kids in Mexico***

It is a special time of the year to serve and to help one of our most valuable resources – the child. Did you know that “Every Child Matters to God?”

Our children are our future generation that God wants to use for His glory. Many unsaved children attend Vacation Bible School and learn about God's creative purpose for them. Songs of worship with a Bible lesson and a craft project make it an experience to remember. Some groups receive the blessing of a Love-Lift bag which adds to their memorable experience of hearing God's love for them.

Children also need the power of prayer. Maybe it was the first time they heard someone pray for them. They can learn to talk to God as His child. What a blessing it is to teach a child about God's Word, His promises, and how to pray.

Let us continue to pray for our precious children and to guide them in Godly ways.

## ***Bringing Hope to all 32 States in Mexico.***

This summer we had a unique opportunity to be a blessing to the leadership of those who are called by God in the most challenging circumstances. Pastors, their wives and families minister to those in Christian drug recovery centers throughout the country of Mexico. Their national conference was held in Tijuana, Mexico. This Christian organization is in all 32 states of Mexico and called "La Esperanza" or "The Hope." This is their 39th anniversary.

It was a special honor for us to lift up these 186 pastors and wives that God has called to minister to those with great needs. They minister to men and women who are stuck in chains of extreme poverty, gang violence, perversion, malnutrition, disease, depression and desperation of every kind. God's power is above and beyond man's power. Their Bible verse found in John 8:32 is the answer: "And you shall know the truth and the truth shall set you free." Thank you for helping us and these pastors in giving God's message to this needy world where Jesus is the only "HOPE!"

## ***Back in Time - 1978.***

. My hands and heart were for missionary service, but I wasn't talented for this ministry. I had never done anything like this when God opened the way. I asked the pastor of our church, Dr. George Wood, if this was the time (1978) to start a women's missionary sewing group. His answer was YES!!!

The door was opened to a new adventure of learning how to trust in God's provision and workers to accomplish His will and plan. I started with three women, and only two knew simple sewing skills. In my heart I felt God's call even though it didn't look like much, but He makes it work out for His glory. Psalm 37:5 says, "Commit thy way unto the Lord, trust also in Him, He shall bring it to pass." This was God's promise for this endeavor. God knew how to bring the creative sewing women with a heart to use their wonderful skills. It was His work to be a blessing for those in poverty that needed warm tied quilts. The Indians in Arizona, New Mexico, South Dakota, and Washington state where the cold winters come were given the love of Jesus by these gifts of LLM service.

God made a way to accomplish His work if we trusted Him. Over many years 100 twin and double sized quilts were made to be given to Mexico and other areas in cold climates. More quilts were sewn for toddlers and many for our newborn baby layettes. God made a way!!

**Happy sewers like Jean Gilbert for the Lord!**

**May mercy, peace, and love  
be multiplied to you.**
